

## **EARLY CLOSURE REMINDER**

Dear Parents,

On behalf of our staff I wanted to wish you all a Happy New Year!

I hope you and your families all had a wonderful Christmas Holiday. Thank you to all of our parent volunteers who helped with our many Christmas activities. It was great to see so many volunteers working with our staff to make the Christmas season so special for our children.

### **EARLY CLOSURE**

I wanted to remind parents that with a storm expected to arrive sometime tomorrow that all parents should keep a close eye on the Board Website each morning to be aware of possible school closures.

Last year the board started an “early closure day” where in the morning, prior to the opening of school, the Board website will inform parents that the school will close and the busses will take students home early due to an inclement weather forecast.

Please check the website each morning to make sure you are aware that in the case of an early closure you will be aware and have arrangements made for when you children arrive home early.

If you have any questions or concerns about early closures or other issues please feel free to call me at the school (902) 662 - 4400.

Sincerely,

Scott Armstrong, B.A., M.S., Ph.D.
